

Cover Letter of Faith Cooley

Hello Kaitlyn! I am honoured to be asked to be one of the ten.

I am not sure what to say here except that the best is yet to come! I believe that it is everyone's responsibility to help each other even in the smallest of ways. I have done this through volunteering, most recently as a mediator for Thurston county, helping low income folks work through parenting plans. I see how much trauma is introduced into children's lives at such a young age. And while people say that kids are resilient, that hasn't been my experience: I see them being profoundly impacted.

I am a doer, I like to do things, get things done, solve hard problems, and I am relentless when I get started.

I LOVE LOVE LOVE dogs, so hopefully I can meet Fluffbutt.

You have been through so much but this doesn't need to define who you are going forward. I am looking forward to meeting you!
