 Seattle, WA 98122

CAREER OBJECTIVE

Determined professional with experience in safety management and regulatory compliance. Proven track record of success in identifying and mitigating risks and reducing workplace accidents. Excellent ability to analyze, develop and implement safety policies and procedures.

EXPERIENCE

SAFETY AMBASSADOR, Seattle, WA

MID, May 2023–Present

- Provided food and water for those less fortunate.
- Administration of narcan.
- Guided people to safety.
- Guided people to shelters and soup kitchens.
- Focus on keeping downtown a vibrant and safe location for everybody.
- Facilitated team-building activities that promote a safe work environment.
- Conducted risk assessments to identify potential hazards or risks.
- Analyzed data from incident reports to identify trends or patterns in unsafe behavior.
- Coordinated emergency drills to ensure readiness for any situation.
- Enforced safety policies and procedures in the workplace.
- Conducted safety inspections of work areas and identified potential hazards.
- Educated workers on proper lifting techniques and other best practices for preventing accidents.
- Maintained records of workplace injuries, illnesses, and other related information.
- Reported all violations of safety regulations immediately to management.
- Promoted the use of personal protective equipment among employees.
- Developed emergency response plans for hazardous situations.
- Assisted in developing strategies for improving employee morale through safe working conditions.
- Investigated incidents to determine root cause and corrective actions.
- Identified opportunities for improvement in existing safety processes and procedures.
- Provided training on safety protocols to new employees.

STREET ARTIST, Seattle, WA

Self, May 2015–October 2021

- Managed and coordinated multiple projects while ensuring timely completion.
- Troubleshoot minor problems and technical issues.
- Responded quickly to meet customer needs and resolve problems.

- Committed to delivering excellent customer service while working in a fast-paced environment.
- Provided efficient and courteous service to customers at all.
- I was homeless, living in squat houses and homeless incampments. I'm not afraid to approach anyone in the life. I've lived it and have made it out. I would love to make this a possibility for everyone.

YEARS OF HOMELESS EXPERIENCE

I've been homeless in 5 states over 15 years and understand, fully, the situations at hand.
